

Dear FCC, Klove(90.1) & it's sister station Air-1 (89.5) serve Our city very well. If you change to another type of service, it would be bad for our area. These stations provide positive music for our families. Our household listens to both stations equally. we don't have to worry about what our family hears. No cuss words are spoken. No beer or car commercials. Just good music is heard 24-7. Please keep our translators active. Thank You , Rina L.Green
